About us

SunField LLC Agricultural Machinery is in DFW, TX and manufacturing facilities are in China. We provide high-quality replacement parts for combines, cotton pickers, tractors, and other agricultural equipment, as well as full supply chain service. We are the manufacture with field supports on the ground.

The advantages of working with us

- **High-quality products.** We apply high standards of quality control procedures to ensure we offer the best products in the class to our customers.
- **Wide products selection.** For examples, more than 200 different sprockets for JD and CNH combines, corn head, and other equipment. We continue to add new products to our lines every year.
- **Flexible order quantity.** Flexibility is important to customers. Therefore, we don't require high MOQ! 50 PCS for any sprockets, even if to develop a new sprocket.
- **Competitive cost.** No extra layers between the manufactures and our customers.
- **Full supply chain services, including, but not limited to,**
 - New Product Development,**
 - Prototyping,**
 - Strategic Sourcing,**
 - Engineering,**
 - Customized Packaging,**
 - Vendor Management,**
 - International Logistic,**
 - and so on.**
